

Civil War Spies!

1
START
London

2

The King needs money. If you have soap barrels you can hide gold coins inside and roll again.

You are captured and searched! If you have a book, you can hide your spy letters inside and stay on this square. If not, you are taken away to be questioned. Go back to start.

5

6 Receive a message in code. If you have a cipher you can decode the message and move forward 2 spaces. If not, miss one turn.

Quiz Card

4

11 A double agent has found out you are a spy. If you have a pistol you are safe. If not go back 2 spaces

10 Write a letter to another spy to arrange a meeting. If you have paper, a quill and a pen knife move forward two spaces.

9

8 You are stopped by Roundhead soldiers outside a town. If you are a woman spy, or have packed women's clothing as a disguise, you are released and can roll again. If you are a man you are captured and must go back to start.

Quiz Card

13 Receive a blank letter. If you have silver nitrate to brush over the letter or a candle to heat the paper you can read the message and move forward 2 spaces

14

15

16 Your horse is stolen while you stay the night at an inn. If you have a horse roll again to carry on your journey.

17

18

19

Quiz Card

27:
FINISH
Oxford

26 Your secret letter is intercepted and decoded. Go back three spaces

25

24 You must smuggle a message into a town under siege. If you have a slug bullet put your message inside and pay someone to swallow it. Move forward one space

23

22 You are captured and found to be carrying messages in code. If you are a man, you are put on trial. Go back to start. If you are a woman you are released and can roll again

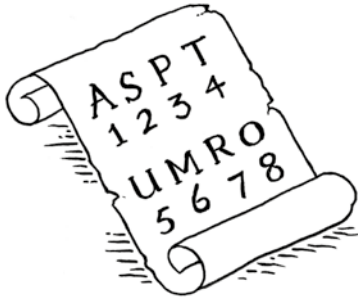

21

20 You need to write a letter to another spy. If you have a cipher move forward 1 space. If you have invisible ink move forward 3 spaces
